

zeum zeum field trips

newscast

Students work together to transform classroom studies into a unique news broadcast through scriptwriting, editing, directing and performing in our multimedia production stage.

- Grade Level: Grades 5-12
- Group Size: 15-30 students, working in teams of 4-6
- Price/Availability: \$175 Tue-Fri 9:30-11:30 and 12:00-2:00
*and Mondays 12:00-2:00

clay animation

Students learn the basics of stop-motion animation through a process of storyboarding, designing their own clay characters, and producing a short animated film using multimedia tools.

- Grade Level: Grades 2-12
- Group Size: 15-30 students, working in teams of 4-6
- Price/Availability: \$175 Tue-Fri 9:30-11:30 and 12:00-2:00

music video

Students produce music videos featuring their own original poetry, digitally composed music, and coordinated dance routines which they perform and film in our music production lab.

- Grade Level: Grades 5-12
- Group Size: 15-30 students, divided into teams of 4-6
- Price/Availability: \$175 Tue-Fri 9:30-11:30 and 12:00-2:00

digital stories

Students work together to transform their classroom studies into a unique audio story, or podcast which they can later broadcast online through iTunes or Youtube.

- Grade Level: Grades 6-12
- Group Size: 15-30 students, working in teams of 4-6
- Price/Availability: \$175 Tue-Fri 9:30-11:30 and 12:00-2:00

junior field trip

PreK-1st graders will participate in an engaging story time and tell their own tales by sculpting with clay, participating in a song and dance, or creating a visual art project.

- Grade Level: Grades PreK-1st
- Group Size: 15-30 students
- Price/Availability: \$100 Tue-Fri 9:30-10:30 and 11:00-12:00

Standards:

Each field trip meets California Content Standards in English, Social Studies, Mathematics, Science, and the Visual and Performance Arts.

Outcomes:

- Teachers receive in-depth curriculum that prepares field trips into classroom studies.
- Students take away a copy of their creations on a DVD.

“I’m always impressed by how well the experience is able to strengthen and enhance students’ ability to tell their stories, learn basic technological skills...and complement what we are learning in the classroom.” Scott Iwata, Forest Park Elementary School

Fee-Waived Visits *Zeum offers waivers to qualifying schools, subject to availability.
Sequential Field Trips *Please consider scheduling multiple curriculum driven trips.
